Re: Keaton Development Company-Docket No. W-02169A-08-0301; Data Response

Dear Ms. Kilger:

Staff's Insufficiency Letter of August 1, 2008 in the Subject Docket referenced several items in response to which the Company's Amended Application dated July 3, 2008. On August 11, 2008 the Company filed a Second Amended Application in effect withdrawing the Amended Application because the insufficiency data was not, and will not be, available in the time frame necessary for this Docket.

The August 1 Insufficiency Letter also contained two inquiries which the Company was instructed to treat as Data Request, namely Compliance Status Reports from ADEQ and ADWR. As you are aware, receiving those official Reports can take several weeks. Therefore, the Company wanted to document the fact that the requests have been made. Enclosed are copies of the ADEQ standard Request Form and counsel's letter to ADWR requesting the Report. It is the hope of the Company that with these requests on file, Staff can proceed with its review of the Application, and publish its recommendation conditioned on receipt of the CSR's before the hearing on this matter.

In the event you have any questions regarding these matters, please do not hesitate to call.

Dear Mr. Craddock:

As we discussed on Friday August 15, the Subject public service corporation has applied to the Arizona Corporation Commission for an extension of its existing Certificate of Convenience and Necessity in LaPaz County near Salome Arizona.
